The Good Apple Awards Reception

The Awards

Through their professional and civic lives, these awardees exemplify the vision of Mass Appleseed to bring about systemic change that advances equity and access to justice. It's our honor to recognize these changemakers who inspire us all to action.

Laura Peabody, Chief Legal Officer and General Counsel at Mass General Brigham, is the 18th recipient of the **Good Apple Award**, recognizing her excellence in legal leadership and longstanding commitment to public service. An esteemed leader in the health equity space, Laura also devotes her time and talents to several nonprofit boards, including UNICEF, the Boston Bar Association, Massachusetts Women's Bar Foundation and Elliot School in Jamaica Plain, to expand opportunity and strengthen communities.

Baker McKenzie, global law firm and long-time Massachusetts Appleseed partner, will receive the **Pro Bono Award** in recognition of its outstanding service to young people across the Commonwealth. Baker McKenzie has played a leading role in managing and updating the Massachusetts Homeless Youth Handbook, a practical legal resource designed to provide clear, accessible legal information on issues including education, healthcare, housing, civil law, immigration, and mental health.

Lisa Goldblatt Grace will receive the **Community Leadership Award** in recognition of her visionary work to combat the commercial sexual exploitation of children and young adults. As the Co-Founder and former Co-Executive Director of My Life My Choice, Lisa is a tireless advocate, trusted advisor, and transformative leader in the movement to protect vulnerable youth.

The Reception: 6 to 8 PM

With plenty of time to mingle and network, the program is also designed to inspire. We'll gather at **The Collective**, a chic venue located in the **Winthrop Center on Devonshire Street in downtown Boston**.

The Good Apple Awards Reception provides core funding for MA Appleseed's groundbreaking research, advocacy, and community support, ensuring we can respond to urgent needs and seize opportunities for action. With your support, we can raise **\$300,000** and continue making an impact!
